## About IJGlobal

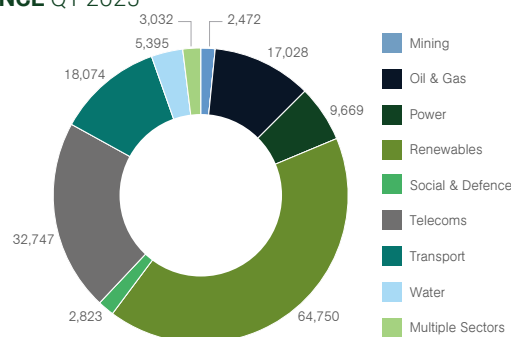

Whether you are looking for a global view or are more focused on specific regions and sectors, IJGlobal's exclusive news and comprehensive datasets have you covered.

Spanning almost 20 years, we provide detailed information on financial structure, pricing, bidders, key deal participants, fundraising trends, past investments and more.

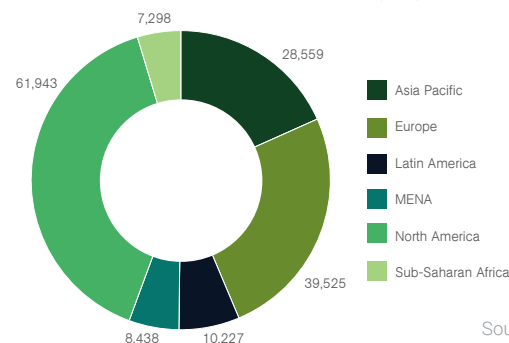

IJGlobal is the only platform that offers complete visibility into the full lifecycle of an infrastructure investment dollar. By tracking projects throughout their entire lifecycle, IJGlobal adds value at every stage.

We help you identify investment opportunities, win more deal mandates, and stay ahead of key market drivers and trends.

## GLOBAL INFRASTRUCTURE FINANCE BY SOURCE OF FUNDING Q1 2025

Green Street, the parent company of IJGlobal, is the preeminent and independent provider of actionable commercial real estate intelligence, covering the U.S., Canada, U.K., and Europe across nearly 20 property sectors. Our comprehensive solutions include research, Data & Analytics, News and Advisory services.

## Data features include

### Transaction & Asset Databases

- We provide detailed information on 70+ transaction and 35+ asset data points, including policy, pricing and participants. Access detailed profiles with the ability to download underlying data.

### Company profiles

- Explore transaction activity across all deal participants. View outbound vs domestic activity and deals by status, sector, region and company type.

### Fund Data and Fund Manager Profiles

- Fully integrated database with 4,000+ funds with 50+ data points including fund description and structure, vintage year, status, target size, LP exposure, assets, advisors, past investments and more.
- Gain an up-to-date view of the funds market as well as the ability to conduct in-depth analysis to help you identify potential partners to lend to or invest with.

### Asset Radar

- Unique to the market, Asset Radar leverages IJGlobal's asset dataset and uses predictive intelligence to compile a list of assets potentially coming to the market for disposal.

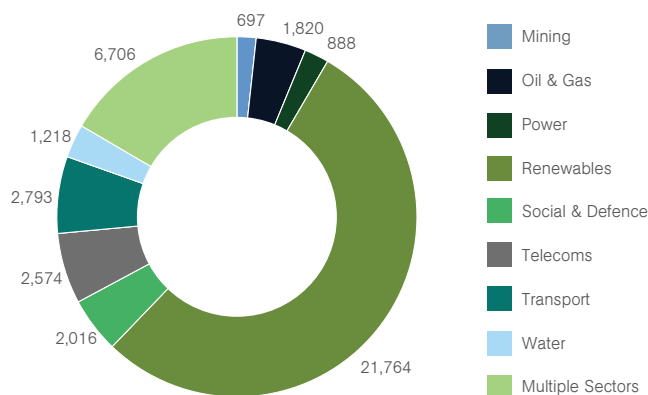

### LP Intelligence

- Access 11,000+ LP Profiles covering over 35 data points at the LP level. Search and filter for LP related transactions based on investment attitudes, past activity and forward-looking sentiment to build a list of potential LP investors.

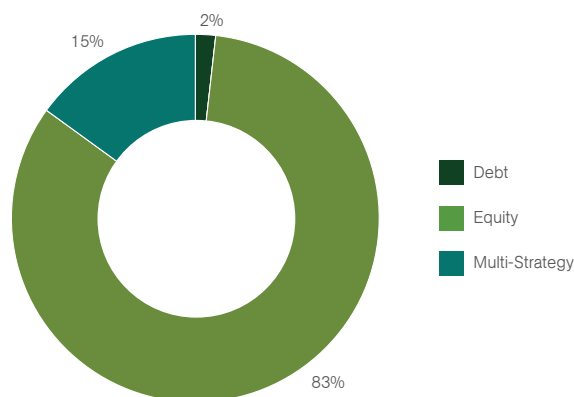

### Data Visualisation & Aggregation

- In a live setting on our platform, our tools allow you to easily conduct market and trend analysis, visualise market shifts, and create reports - all without leaving the IJGlobal platform.

## Events & Awards

Increase exposure, gain recognition and benefit from networking opportunities with our industry leading awards and events.

### Awards

The IJGlobal Awards portfolio is made up of three award series: **IJGlobal Awards**, **IJGlobal ESG Awards** and the **IJGlobal Investor Awards**. Our Awards bring together the global infrastructure and energy finance communities to honour the standout company achievements, landmark transactions, and innovative individuals driving progress across the sector.

All awards are open to entries from across the globe, with 8 award ceremonies taking place throughout the year.

### Events

The IJGlobal Conference series features 4 dynamic events: **IJ LATAM**, **REFF North America**, and the exciting new additions for 2025 and 2026 — **Infrastructure Finance Forum Asia** and **Infrastructure Finance Forum Europe**.

These conferences bring together leaders and innovators from across the infrastructure and energy finance sectors to exchange insights, spark collaboration, and drive deal-making on a global scale.
